ORDER

This matter comes before the court on the government's motion (D.E. 2), filed 1 October 2010, to quash two subpoenas (D.E. 1-1 & -2) issued to two employees of the Federal Bureau of Investigation by counsel for the defendant in a North Carolina state court criminal case, *State of North Carolina v. Daniel Allen Robinson*, No. 10 CRS 50223 (Currituck Co. Sup. Ct.). The government had removed proceedings on the subpoenas to this court on the same date. (See Notice of Removal (D.E. 1)). By minute order (D.E. 4) also entered on 1 October 2010, the court stayed the subpoenas and established a filing deadline of 15 October 2010 for any response to the government's motion. No response has been filed, leaving the motion unopposed. The motion is therefore ALLOWED and the subpoenas at issue are QUASHED.

SO ORDERED, this the 20 day of October 2010.

James E. Gates
United States Magistrate Judge
